

Name: _____ Date: _____ Period: _____

Excuse Chart

Directions: Complete the chart by coming up with an excuse you can use in school if the selected part of your brain fails. See the example below.

Brain Anatomy	Excuse
Cerebellum	I can't get to class on time because my cerebellum is not functioning and I lose balance while walking in the hallway.
Frontal Lobe	
Medulla	
Occipital Lobe	
Wernicke's Area	
Broca's Area	
Hippocampus	
Parietal Lobe	
Pituitary Gland	
Hypothalamus	
Brain Stem	
Amygdala	
Thalamus	
Cerebral Cortex	
Temporal Lobe
